

**Table of possible NASA Robotics Badges and a badge cluster.**

DRAFT Badge Images	Image Description
 <p>A silver gear-shaped badge with a central image of an astronaut. The text 'Robonautics' is curved along the top inner edge, and 'ENTRY LEVEL 1' is curved along the bottom inner edge.</p>	<p>Robonautics Entry Level 1 words surrounding an image of an astronaut – inside a gear - for beginning robotics level badges.</p>
 <p>A gold gear-shaped badge with a central image of an astronaut driving a rover. The text 'MARS EXPLORATION' is curved along the top inner edge, and 'LEVEL 2' is curved along the bottom inner edge.</p>	<p>Mars Exploration Level 2 words surrounding an image of an astronaut driving a rover – inside a gear - for exploration robotics activities.</p>
 <p>A gold gear-shaped badge with a central image of a Mars lander. The text 'MARS EXPLORATION' is curved along the top inner edge, and 'LEVEL 4' is curved along the bottom inner edge.</p>	<p>Mars Exploration Level 4 words surrounding drawing of Mars Lander – inside a gear.</p>
 <p>A cluster of four interlocking gear badges: a silver 'Robonautics Entry Level 1' badge, a gold 'Mars Exploration Level 2' badge, a gold 'Mars Exploration Level 4' badge, and a silver 'Robonautics Level 10' badge.</p>	<p>A group of interlocked gear badges – for use when a series of related activities have been completed.</p>
